Schoolgirls' Championship To Altona North High School

JULIE ROBERTSON, of Altona North High, is pictured breaking the record for the under 15 high jump in the All-High School Sports last Saturday week.

On Saturday Altona North High School won the Victorian Schoolgirls' Championship held at Royal Park.

For the second year in succession the school was presented with the G. E. Lewin Cup as the winning school.

RESULTS

Altona North High	40
Macleod High	33
Eltham High	27
Upwey High	26

Schoolgirls from about 200 schools from all over Victoria took part and as a result competition was very keen and wins were very hard to achieve.

Most notable performance was that of Julie Robertson, who won the under 15 high jump with a new record of 5ft. 2in. Julie's height is only 5ft. short of the Victorian senior residential record of 5ft. 4in.

New Subdivision

Altona Shire Council has approved plans for a new subdivision in Altona North.

The land, part of the Rayner Estate, is on the south side of Blackshaws Road.

The plan is in two parts. Part 1 shows 31 residential lots adjacent to St. Paul's College area with Rymall Court leading to Mr. Rayner's present residence.

Part 2 shows another 31 residential allotments on Marsh Street running south from opposite Freemans Road. Hill Street will join Marsh Street and Rymall Court.

CULTURE APPRECIATION

£500 has been set aside in the Council Estimates for cultural activities (this is an inaugural vote).

It is apparently a prudent provision to provide for possible contingencies. There is a positive need in this field and it is to be hoped the money will be spent.

Fined For Attempted Shop Breaking

For attempting to break into the toy shop in Pier Street, Altona, last Saturday night, an Altona youth was fined £20 at Williamstown Court yesterday.

Eighteen-year-old Joseph Stanley Lawson, of Davies Street, Altona, pleaded guilty of trying to break into and steal goods from Mrs. Barrow's shop.

First Constable Sweetland, of the Wireless Patrol, told the Court he went to the premises of Altona Toyland in Pier Street and noticed several attempts had been made to cut the window with a glass cutter. The cuts were in the vicinity of a number of watches and cigarette lighters on display.

He then went to a vacant allotment almost opposite the shop while other detectives

went to a lane at the rear of the shops. Constable Sweetland said as he entered the lane he saw a youth run to the other end where he was apprehended by another detective.

Sweetland said to the youth who was Lawson, "I believe you just attempted to break into the toy shop."

Lawson replied, "That's right." Defendant was then con-

Only One Daily Mail Delivery for L'ton

An afternoon postal delivery and later clearing of mail boxes is not warranted in Laverton the Postal Department has advised the Progress Association.

At present there is one mail delivery in the morning and the latest clearance of letters is 4.30 p.m.

The Progress Association had requested improvements to the service.

The Postal Department advises they have checked the quantity of mail received after 12.30 p.m. for delivery in Laverton and also the number of letters posted each evening after 4.30 p.m. and the figures show the extra services are not warranted. However, the Department has promised to keep the matter under review.

Controlled Open Spaces

Planned total expenditure for the 1965-66 year on Altona's open spaces is in excess of £90,000.

The council Estimates list maintenance and improvement works to be carried out on all reserves in the Shire.

Allowance also has been made for land acquisitions for open spaces—£19,000, the balance for Gilbertsons Reserve, and £15,300 for acquiring land on the Esplanade. £12,000 will be used on reclaiming land in the Cherry Lake area.

On foreshore improvements will be spent £9500—this includes £4800 for a boat ramp and £1000 for the breakwater at Seaholme. Beach cleaning will cost a further £2000.

Parks and foreshore maintenance is estimated at approximately £13,000.

Major activity for the reserves will be on Grant Reserve and the nearby Cherry Lake area. In one place the latter is defined by the new title, Botanic Gardens.

A further £5000 is to be spent on the pavilion on Grant Reserve, more filling levelling and grassing will be about £4000, a basketball court £800 and other works £1250.

A retaining wall north of Grant Reserve in the Botanic Gardens is planned at a cost of £3600.

£1000 will be spent on filling and levelling the eastern end of Kim Reserve, £500 on similar works for the caravan park on Apex Reserve; £500 top dressing Langshaw Reserve and £500 fencing; the oval; £750 for water supply installation, playground equipment, and temporary change rooms and toilets on Bond Reserve; £700 on filling and levelling sections of Cresser Reserve; and sundry items on the Cooper, Ford, Ginnifer, Irwin, McIntosh, Logan, den Duik and Hearn Reserves.

THE ESTIMATES

The 1965-66 Estimates prepared for Altona Shire contain much of vital interest to ratepayers.

Most substantial items of receipts are the general rates, followed closely by loan money. These together make 80% of total receipts.

In addition there are pan charges, government grants and subsidies, sundry fees and charges, hire of plant to contractors and miscellaneous items.

Estimated total receipts for the year are £845,130.

General rates in the current statement and for the past two years were estimated as—

	N.A.V.	Rate in £1.	General Rate
1963-64	£2,599,665	2/2	£281,630.
1964-65	£3,345,431	2/-	£334,543.
1965-66	£3,448,676	2/-	£344,867.

Prior to the 1964-65 Estimates the net annual valuation of all properties in Altona was revised. It was calculated that to return the same general rate of the previous year a rate of 1/8d. in the £1 on the revised valuations would be sufficient. However, a higher return from general rates was required and the rate was struck at 2/-. It remains at 2/- for this year.

Pan charge in 1963-64 was £5/7/- and increased in the next year to £5/12/- at which the current figure remains.

Loan monies estimated for these periods were—

1963-64	£180,000.
1964-65	£261,835.
1965-66	£300,000.

Estimated receipts from all sources were—

1963-64	£618,443.
1964-65	£775,988.
1965-66	£845,130.

It is interesting to compare these estimates with the actual figures for the first year of the Shire, 1957-58—

The general rate of 2/- in the £1 on the net annual valuation of properties, £993,132, returned £99,313.

Pan charge was £5.

Actual loan monies raised were £29,500 and the receipts from all sources were £140,464.

NEW BRIDGE

MAY NOT

AFFECT HOUSES

At present there appears no basis for assuming houses in Altona North will need to be demolished for the new road to connect Princes Highway with the Lower Yarra Crossing.

Altona Shire Secretary, Mr. J. W. Waters, said neither he nor the engineer have any knowledge whatever of any extra land resumption in the Altona North area for the approach to the proposed bridge. He said plans for Route 9 which will lead to the crossing were prepared by the Melbourne and Metropolitan Board of Works many years ago.

All subdivisions made in the Shire of Altona have complied with these plans.

The Lower Yarra Crossing Authority will construct the bridge and road only between Williamstown Road and Salmon Street, Port Melbourne.

Construction of the approach road from Princes Highway to Williamstown Road will probably be the responsibility of the Board of Works as it is included in their long range plans for arterial roads.

Mr. Waters said he is seeking further information.

the Altona North Tech., but no indication can be given as to a likely date of establishment.

Altona North Schools

The present provision of schools in Altona North is considered sufficient to serve the needs of the area. This was stated by the Hon. G. L. Chandler in the Legislative Council.

The Hon. A. W. Knight asked—

"In view of the school population growth in the Altona North area, what provision has been made by the Education Department for further primary and secondary schools?"

The Hon. G. L. Chandler gave the following answer—

"The provision of additional primary and secondary schools in the Altona North area is not contemplated at present as it is considered that the existing technical, secondary and two primary schools should cater for the needs of the area. Eventually a girls' section may be provided at

veyed to Footscray Police Station for an interview.

Lawson told them he left home early that evening, went to the park, met some mates and had a few beers.

Then in a car with six mates he went to Williamstown, had more beer before returning to Altona.

Lawson said he got out of the car with one mate who suggested breaking into the shop. His mate started to cut the glass while he kept watch. When this was unsuccessful they picked up a stone and threw it through the window. It made a noise and they both ran.

Lawson was found guilty.

Mr. H. Kim, J.P., who sat with Mr. Dann, J.P., Mr. F. Lovegrove, J.P., and Mr. Robinson, J.P., fined Lawson £20 or one month's imprisonment and told him he hoped he would behave himself in the future and keep out of trouble.

EDITORIAL

The Wide Open Spaces

The Board of Works control of drainage is entirely practical and utilitarian. Its interest is rightly concerned with efficiency and æsthetic consideration play but a minor part in its program.

Currently and in the oncoming years Altona's major drainage problems will be solved. Operation drainage will perform its destined end but it will leave scars on the body civic—wide open spaces.

The water course of Kororoit Creek will be strongly controlled including the land on both sides, within defined limits, the Seaholme drain and the larger and wider western drain will have large areas of restricted use land. Altona Sports Park and Cherry Lake area are in a similar position but here natural features can permit attractive improvements.

The extensive area of land between levee banks on either side of Kororoit Creek in the Millers Road area do not in their present form suggest a desirable permanent prospect in the centre of the Shire. But within the limits of the Board's restrictions what, if anything, can be done? Trees, willows and the like may be possible at least in the higher parts but anything interfering with the flow of water or debris is out of the question.

In the artificial drainage areas restrictions may not be so arduous but the ultimate appearance of these facilities must be considered.

Progressively the permanent improvement by the Board in its several sectors will be completed. Paralleling this should be any Council activity possible and necessary.

That the Altona of the future will be to some extent the result of the present schemes of the Board is undoubted. That the ultimate appearance of its drainage systems should be agreeable and even attractive is also desirable.

ALTONA WORKING MEN'S CLUB NEWS

INDOOR BOWLS CHAMPIONSHIP

Tonight, Thursday, November 4, is the big night for the Indoor Bowls Section—the grand final of the combined Ladies and Gents Singles Championship to decide the outright club champion.

The final will be played between Win Neale, winner of the Ladies, and Harry Gibson, winner of the Gents Singles.

A keenly fought contest is anticipated and a record crowd of indoor bowlers is expected to watch the game and congratulate both winner and loser.

The Club Doubles Champion ship was decided two weeks ago. Elsie Locke and Jimmy Walker took the honours and as a permanent record of their 1965 Doubles Championship win their names will be inscribed on the Club Shield.

INDOOR BOWLS BREAK-UP PARTY

Many do not realise Christmas is only a few weeks away and the period of the seasonal break-up parties for the various club sections has now been entered. First on the calendar is the Indoor Bowls grand party break-up night. An interesting and entertaining program has been arranged for Thursday, December 9. All indoor bowlers are requested to jot this date down in their diary.

FLOWER SHOW AND FAIR

The big and colourful club event of the year is this Saturday, November 6, from 3 till 10 p.m.—The Second Annual Flower Show and Fair, organised jointly by the Associates and Gardening Sections.

One hundred and fifty entries for the various sections has been received by last Tuesday night and total entries are expected to exceed 250.

If you belong to the last minute group of entrants—probably undecided as to how your flowers have stood up to the unseasonal spring weather—and you still desire to make an entry, please telephone Dawn Burgess at 65-8488. Your entry can be registered and you also obtain copies of the Flower Show Schedule by calling that number up to 10 p.m. tonight (November 4).

DARTS AND BILLIARDS COMPETITIONS

During the afternoon and evening of the Flower Show and Fair a number of indoor sports competitions will be conducted for handsome prizes and trophies.

The highest score with three darts during afternoon and evening up to 9 p.m. will entitle the winning contestant to receive a valuable seasonal prize.

There will be a billiards competition during the same period—hokey, rope quilts and skittles, so come along and join in the fun of the fair and also admire the splendid array of spring flowers at Altona's biggest and brightest flower show.

During the afternoon Devonshire Teas will be served and in the evening light refreshments.

Cake, fancy goods, groceries and white elephant stalls will be stocked with an excellent assortment of quality goods at reasonable prices.

ASSISTANCE REQUIRED

From 9 a.m. tomorrow, Friday, November 5, a small band of active club members will be extremely busy setting up the stalls, decorating and preparing the hall, the side shows and the hundred and one things that are all part of a big event.

The assistance of more helpers would be very much appreciated. Perhaps some members engaged in shift work could give a few valuable hours any time during Friday or Saturday.

Saturday morning will also be a busy time, receiving and placing all the exhibits in the proper order and place. Once again if anybody can spare an hour or so please come along and render a helping hand.

FINANCE SCHEME MEETING

The meeting for all collectors, finance scheme committee and management committee is next Wednesday, November 10, in the club building at 7.30 p.m.

BABY QUEST

Ten silver cups will be awarded winners at the Baby Quest being held in the Methodist Hall, Seves Street, Altona, this Saturday afternoon, November 6, at 1.30 p.m.

Proceeds of the afternoon will aid the Salvation Army Timbrel Brigade, Altona.

Entrants in the five sections will be judged by three midwifery sisters from Bethesda Hospital.

Sections are—up to six months; 6 to 12 months; 1 to 2 years; 2 to 3 years; and twins.

Afternoon tea, drinks, ice cream and other goods on stalls will be available.

C.W.A. ANNUAL MEETING

The C.W.A. Annual Meeting will be held at the Homestead, 128 Queen St., on Monday, November 8, at 1.30 p.m. Members are asked to attend at 11 a.m. for a preliminary meeting.

Cr. HEARN TO OPEN SPRING SHOW

The Shire President, Cr. V. L. Hearn, will officially open the Spring Show and Fair at the Altona Working Men's Club next Saturday, November 6.

The Fair will be open from 3 p.m. to 10.30 p.m. and prizes will be presented at 10 p.m.

Flowers, pot plants, fruit, vegetables, needlework, handicrafts and cookery will be exhibited.

Stalls will be stocked with cakes, fancy goods, groceries and preserves. There will be a white elephant stall and soft drinks, sweets, Devonshire teas, hot dogs and pies available.

This, the second Spring Show to be presented by the club, will be the first such function to be held in the club's new building at 1 Altona Road, Seaholme.

Spastic Aid Stall

Members of the hard working Altona Spastic Aid Committee appeal once again for residents support of the street stall to be conducted in Pier Street this Saturday morning.

The few remaining tickets in the huge Christmas Stocking raffle will be on sale at the stall.

Next meeting of the committee will be at the Homestead on Tuesday, November 9, at 1.30 p.m.

70th Birthday

Mr. and Mrs. B. Prismall, of Queen Street, Altona, invited more than 60 guests to their home last Saturday night to celebrate the 70th birthday of Mr. Barry Prismall Sen., who lives in Millers Road.

Among the guests were daughter Marjory, Mrs. B. Broadbent, of Burwood, younger son Laurie, who came down from Mt. Beauty to attend the party, and a number of Mr. Prismall's friends from the Elderly Citizens' Club.

Besides the tasteful supper prepared by his daughter-in-law, barbecue treats were cooked by Mr. Prismall who as chief chef donned a chef's hat and his special barbecue apron.

Indoor Bowls For Laverton

The Laverton Progress Association is desirous of forming an Indoor Bowling Club at Laverton.

A team from the Altona Working Men's Club will demonstrate the game at the Memorial Hall, Laverton, on Monday, November 22.

All residents are invited to watch the demonstration and afterwards join in practice games.

It is hoped enough interest will be stimulated to commence indoor bowling on a regular basis.

The evening will be completely free of charge and will commence at 8.30 p.m.

FAMOUS PIPE BAND AT BAZAAR

The Rats of Tobruk Pipe Band will march through the streets of West Newport next Saturday afternoon, November 6. They will be the highlight of the annual fete at the West Newport State School on the corner of Maddox Road and Wood Street, West Newport.

The band will form at the school at approximately 1.10 p.m. and march from the school south along Maddox Road to Jubilee Street, east along Jubilee Street to Challis Street, then north to Wood Street, west to Maddox Road and back to the school for the official opening of the fete by Mrs. Blackstock, a member of the Federated Mothers' Association at 1.30 p.m.

A merry-go-round, trampolines and pony rides should attract the children to the bazaar. For the parents there will be many bargains on the stalls selling home made cakes, sweets, novelties, fancy goods, aprons, pot plants, children's wear, groceries, sweets, drinks and fairy floss.

The band is the same one which will be piping the arrival next Saturday morning of Father Christmas to a prominent Bourke Street store.

Record Hop and Barbecue

A record hop and barbecue for members of St. Eanswythe's Youth Fellowship and their friends will be held at 49 McBain Street, Altona, this Saturday, November 6, at 8 p.m.

Guests are requested to bring their own meat for barbecuing and if they have a favourite record the others would like to hear it too. Admission charge will be 2/-.

KOROROIT CREEK ANGLING CLUB

On the week ending Sunday, October 24, the Kororoit Creek Angling Club held a Fresh Water Competition on the Goulburn River, Trawool.

This trip was well mustered with a compliment of 20 members, namely—

F. Jones, W. Paine, H. Olsen, P. Cordell, J. Goodman and son Tonis, C. Fenton, M. Eglitis, J. King, B. Draper, W. Verlander, W. Kelly, B. Park and son Boyd, D. Jones, R. Harper, Master Jimmy Brennan and Michael Hudson.

Although there were not a great number of fish caught on this trip, the members feel assured of a greater catch on their next sojourn.

Winner of the competition was W. (Bill) Brennan with two nice trout.

The organisers of this trip would like to take this opportunity of thanking all those members who made their cars available, especially Paul Cordell, Bill Brennan and Cliff Fenton, who made up the Vanguard party with all the heavy gear. Also Mick Eglitis, Barney Park and Des Jones who supplied the boating facilities.

It would appear that this club has a record in the making, that is, members with a very healthy appetite. These members consumed on this trip 25lb. steak, 20lb. sausages, 10lb. bacon, 12 dozen eggs, 25lb. lamb chops, 17lb. poultry, 20lb. silver-side and 10lb. cocktail sars.

Members are reminded of the forthcoming meetings—

November 26: Quarterly meeting (nomination of office-bearers);

December 10: Annual meeting (election of office-bearers);

December 17: Annual smoke night;

December 19: Ladies afternoon;

November 14: Social cricket match.

Altona Historical Society

The Altona Historical Society room at 128 Queen Street will be open on the FIRST Sunday of each month, from 2.30 to 4.30 p.m., commencing with next Sunday, November 7.

Members of the public will be most welcome to inspect early photographs, aboriginal artefacts and other items of interest connected with Altona's past, which are in the possession of the society.

St. Eanswythe's Young Wives

Judging by the wonderful contributions to the cake stall at the Church Bazaar, members of the St. Eanswythe's Church of England Young Wives Group and many other ladies must have spent a good deal of time last week in their kitchens baking.

The group is most appreciative of the assistance and support it received from ladies of the parish and many other friends, and are happy to report to them that the stall made slightly over £40.

The beautiful Christmas Cake made and decorated by Mrs. Ruth Hodgson, was won by Mrs. Elizabeth King, who guested the weight of the cake as 13lb. 9oz., the correct weight being only 12oz. more.

The guessing competition for the navy handbag will not be finalised until the Young Wives annual meeting, which will be held in the church hall on Tuesday, November 9, at 7.45 p.m. The winner will be notified and the results published in the "Star."

Members are reminded of the Rally in Chapter House on Monday, November 8, at 8 p.m. at which there will be a Discussion Panel and Jazz Hymns conducted by the Rev. Barry Marshall.

Any member wishing to attend please contact Mrs. L. R. King, at 65-8444.

Altona West Kinder.

The next meeting of the Altona West Kindergarten will be held at the kindergarten on Wednesday, November 10, at 1.15 p.m. sharp. As there will be a guest speaker from the Father and Son Movement arriving at 2 p.m. to give a talk on "Sex in the Home", all should arrive early.

This should be very interesting. All interested persons will be made most welcome.

The next Beetle Night will be held in the Kindergarten on Thursday, November 11, at 8 p.m. Admission is 3/- donation and a plate of savouries or cakes for supper. Come along for a very enjoyable evening at 4 Somers Parade, Altona West.

BASKET CABARET FOR NEW YEAR

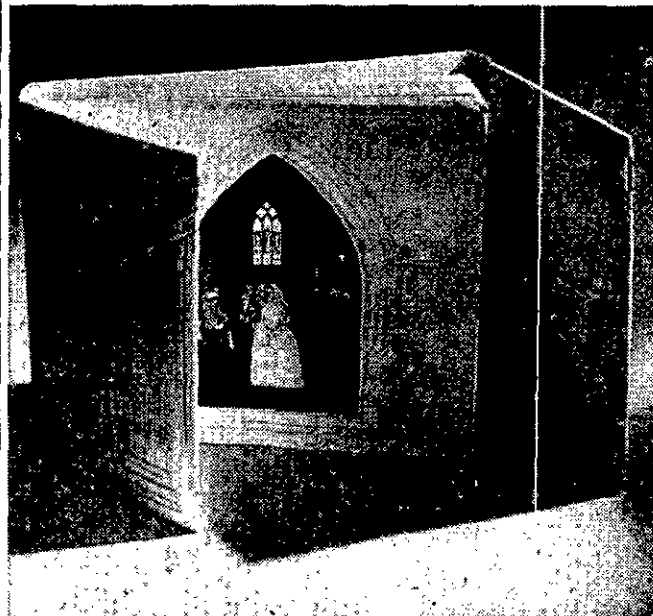

Tickets are now available for the Basket Cabaret Dance to be held on New Year's Eve in the new Memorial Hall, Laverton.

Family tickets at 15/- each will admit two adults and any children under 16 years of age. Single tickets for those 16 years and over will cost 8/- each.

Dancing will be from 8 p.m. to 1.30 a.m. and residents are urged to book their tables now with Mrs. R. Warren, 36 Williams Road, Laverton.

Guides & Brownies

The Local Association of Altona Guides and Brownies will meet next Wednesday, November 10, at the home of Mrs. Hutton, 261 Queen Street.

NEW APEXIANs

The district governor of Apex, Mr. Jack Fokett, inducted two new members into the young men's movement at a combined dinner meeting of the Altona and Sunshine clubs at Sunshine last Wednesday.

Mr. Jack Carroll became a member of the Altona club and Mr. Ron Bradford of the Sunshine club.

Guest speaker was Mr. David Smith, officer in charge of Mt. Derrimut Field Station.

He told the Apexians that a wheat crop being grown at the Station might well prove to be the best wheat crop in Victoria.

Mt. Derrimut is four miles west of Sunshine.

"We will probably harvest 60 bushels to the acre this year," said Mr. Smith. "Last year we got 75 to the acre—one of the top crops in Victoria."

They also run cattle, pigs and poultry.

He said that with the aid of its good crops, he had hopes that the farm section would pay its way in 1966. The residential section for students was run with the fees that students paid.

Mt. Derrimut Field Station is set on some 800 acres. A big old station homestead was built in the 1860's by the Morton Brothers, who had big holdings in those days.

It is part of the University of Melbourne and has some 40 men and six women students residing there at a time. They are second-year bachelors of agricultural science students.

"The field station exists to make the agricultural scientist agricultural," said Mr. Smith. "They get the science at the university."

Mr. Smith said that a tremendous number of people were doing agriculture out of an interest in the hungry people of the world. Some eventually went to such places as India and worked in village life.

"If you travel overseas and see agriculture you cannot help but be impressed with Australian agriculture," he said.

"We are out in front of other countries, particularly in pasture work. Other countries are copying us as fast as they can—countries like Israel."

"We believe that by advising these people we can do a lot toward helping their people."

He added that, in the field of Australian affairs, agriculture was basic.

"Eleven per cent. of the work force of Australia produces all our food and that for a lot of other nations; most of our fibre and three-quarters of our export income," he reported.

There was an increasing need for consultants to advise the farmer on Farming in Victoria. Many of the students at Mt. Derrimut would eventually serve in this way. Only about three out of the 40 would themselves become farmers.

Colac School Children Visit Altona

On Tuesday, Wednesday and Thursday of last week, a party of 30 school children from Colac Primary School visited Altona and were guests of Altona East Primary School.

The children, in the care of Mr. Junor and Miss Ture, were billeted with children from Altona East and a wonderful three days followed which will have a marked effect on the general knowledge of not only the children from Colac, but the children at Altona East.

On the Tuesday visits were made to places of local interest; On Wednesday, visits were made to the city where the children inspected the Shrine and attended Parliament House where the Hon. A. W. Knight, M.L.C., ensured that the children were able to observe Parliament in Session and inspect the buildings.

On the Thursday morning the party attended at the Altona Shire Civic Offices and were escorted through the Presidential Suite and Council Chamber by the Shire Secretary, Mr. J. W. Waters, and the Junior Council Co-ordinator, Mrs. W. E. Carruthers.

Mr. Waters gave the students a brief run down on the working of local government in the community with particular reference to the services provided for health and other matters with which the young folk would be concerned.

Mr. G. C. Duffy expressed appreciation on behalf of the party which numbered 97—approximately 30 visitors from Colac, their 30 hosts and the balance of members in the classes concerned at Altona East.

The party left the offices to visit the Altona Public Library, travel through the Petrochemical Complex and then make an inspection of the Refinery.

Golf Ball Nuisance

Residents of Beach Street, Seaholme, are disturbed at the growing number of persons playing golf on Cresser Reserve.

At the council meeting last Tuesday night a letter signed by 21 of the residents drew the attention of council to this nuisance.

Apparently two windows of houses have already been broken and there have been many near misses.

Not only do they constantly fear their windows but pedestrians could be injured or else windscreens of parked cars damaged by golf balls which fly across the street.

Shire Secretary, Mr. J. W. Waters, said the Council By-Law specifies "except with the written permission of the council previously had and obtained, no person shall at any time, play or practice cricket, football, golf, hockey, baseball or other ball game, within an area distant 100 feet from any boundary of, or any building on, the reserve."

Mr. Waters recommended that the nuisance be referred to the council's ranger for attention and that appropriate warning notices be erected on the reserve.

Councillors agreed to take action as suggested by Mr. Waters.

£10 FOR LITTER

George Mellior, of McIntosh Road, Altona North, was fined £10 with 11/- costs under the Litter Act in Williamstown Court last week.

Mr. J. Mellors, senior health inspector for the Shire of Altona, told the Court on August 20, 1965, he was driving along Kororoit Creek Road near the bridge in Altona and saw a person with a car and trailer on the side of the road. The trailer was filled with rubbish, papers, car parts and dirt. There were two notices prohibiting rubbish being put there. He told the man, Mellior, he was not allowed to put rubbish there and told him to take it to the tip.

He drove back 10 minutes later and found it looked as though the defendant was going to empty the trailer there. He told him again not to and came back later and saw the car was bogged and the trailer was empty, with the rubbish on the ground.

He asked Mellior why he had put it there when told not to and he replied, "Because everyone else does it." He asked for his name and address and was at first given a wrong address, later the correct one.

NEW AND USED BOAT DISPLAY

Total Oil Products plans to establish a new and used boat display in conjunction with the petrol filling station at the corner of Duke Street and Millers Road, Altona North.

The boats will be displayed on an area of approximately 40 square feet in Duke Street at the rear of two petrol pumps which will be removed and adjacent to the hotel residential area.

The area is zoned commercial and the proposed plan is allowed in this type of zone.

C.W.A. MEETING

A preliminary meeting of members will be held at 11 a.m. prior to the annual meeting of the Altona branch of the Country Women's Association at the Homestead, 128 Queen Street, next Monday, November 8.

The annual meeting will commence at 1.30 p.m. Members are requested to bring their lunch along with them.

Barbecue, Bonfire and Jumble Sale

Do not forget the barbecue, bonfire and jumble sale at the Altona North Methodist Church tomorrow night, November 5, at 7.30 p.m.

New and used clothing will be available as well as cakes, groceries, sweets, etc.

Cell Test is Cancer Safeguard

Death from cancer of the neck of the womb is now largely preventable. The cell or "smear" test has given doctors the means to virtually eliminate this form of cancer as a cause of death in women.

Sister Elizabeth Warr of the Anti-Cancer Council had this heartening message for 60 local women who attended a public meeting sponsored by the Altona Working Men's Club, on Monday, October 25.

Sister Warr said that approximately 400 new cases of cancer of the womb are diagnosed yearly in Victoria. Early detection is essential for successful treatment, and the cell test will help detect cancer at the earliest stage, long before any visible symptoms appear, she pointed out.

Found at this first stage the chance for cure is practically 100 per cent. and in many cases this can be achieved without the need for a radical operation.

Sister Warr stressed that women should look upon the cell test as a routine health measure rather like a regular chest X-ray. For the vast majority of women the test gives the peace of mind that comes from knowing no signs of cancer are present.

When the test is positive, further investigation becomes necessary to determine what form of treatment is required.

The Anti-Cancer Council urged all women to see their own doctor at two or three yearly intervals for a cancer cell test, said Sister Warr. This can be carried out quickly and painlessly as part of a routine examination in the doctor's surgery, but it is advisable, she added, to make an appointment beforehand.

CYTOLOGY CENTRE

To handle the greatly increased number of "smears" the Victorian Government, with the help of a £25,000 grant from the Anti-Cancer Council of Victoria, has set up a State Cytology Centre in Melbourne, where the samples may be examined free of charge to both doctors and patient.

Sister Warr said that the doctor taking the sample would charge the usual fee for the consultation. Although a free service is available from the State Centre, cytology services are also provided by private and hospital pathologists, and a doctor may recommend one of these services as more suitable for his patient.

In these cases, she concluded, a woman could claim a substantial refund of the fee from the hospital benefit fund to which she belongs.

Altona Football Club Meeting

A general meeting of the Altona Football Club will take place at the Homestead, 128 Queen Street, on Wednesday, November 10, at 8 p.m.

Formation of a social committee and the financial report will be considered at this meeting.

The 1966 teams affiliation also will be decided.

KINDERGARTEN DIRECTORS

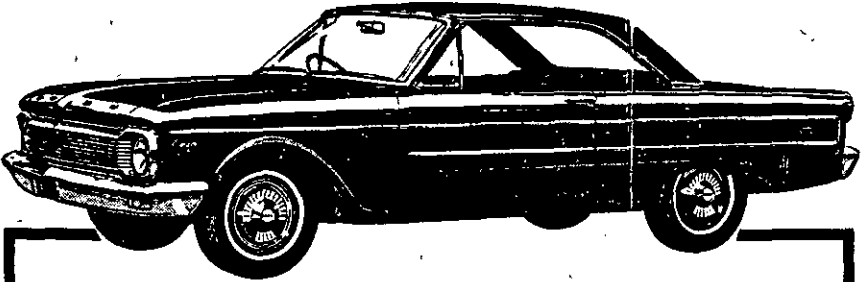

The Director of Pre-School Welfare has advised the following appointments to Altona Kindergartens for 1966—

Miss I. Willing, of East Kew, to the new centre at 30 Ronald Avenue, Altona North;

Mrs. Friedericks Spacek to the new centre at 35 Cresser Street; and

Miss Zeta R. Harvey to the Seaholme Kindergarten.

Ladies Bowls

On Wednesday, October 27, the opening of the electric light bowling season took place.

The evening was well attended and the eventual winners were—

J. Newton (s), Ted Eyre, J. Mottram and B. Hare.

The Victorian Ladies Bowling Association selected the Altona green this year to stage one of the many draws in the first round of the State Pairs on Thursday, October 28.

The visiting bowlers came from near and far. The Altona girls journeyed elsewhere with two pairs doing quite well in winning their first two games but going down in the third the next day.

The social bowls on Thursday was won by B. Bougoure, B. Davis and J. Douglas (s). Birthday greetings this week to Edna Eyre, Lorna Walsh and Dot Gadsden.

On Sunday, November 7, there will be mixed rinks (own selection).

Ladies, the bazaar is only three weeks away. Keep your donations, etc., rolling in and these can be left at the clubhouse.

The roster for Saturday, November 6, is F. McDonald, L. Pilcher, E. Whyte, M. Mills, H. Harvey and D. Harvey.

Next Saturday is MONTHLY MEDAL DAY and Sunday is the KOORINGAL OPEN AMATEUR TOURNAMENT.

BASKETBALLERS ON TOP

In their first season of A Grade Basketball the No. 1 team from Altona Youth Club has climbed to the top of the ladder. Last Monday night they defeated and replaced the top team Prahran, 69-64.

This particularly high scoring game was the result of good shooting and clever play by both teams.

The game progressed point by point until the final bell when the score was 54-54, a draw.

Another five minutes was played and Altona was able to outclass Prahran.

A lucky shot by Jim Davis gave Altona two points and Bruce Bizaro scoring with a 25 footer put Altona in a winning position.

This local team remains undefeated and it already appears they will make the final four at the end of the season.

No. 2, now playing in D Grade, were defeated by last year's premiers, Ashburton, 28-30.

Both teams started off with only four players, but later in the match were able to play with full teams. The Altona boys are in the midst of studies for the yearly examinations.

At half time Altona were in the lead 17-10.

However, in the second half some misunderstanding occurred between the Altona players and while settling the argument Ashburton equalled the score. From then on it was point for point and Altona could not regain the lead.

Letter to the Editor

Dear Sir,

I would like to bring to your notice, and also the police, about the large number of cyclists riding on the footpaths in the Altona North area.

This goes on every day and every night, most cyclists have no lights and are showing an utter disregard towards people coming and going from their homes.

There have been several minor accidents. If there is not some action taken soon someone is going to be seriously injured.

Yours truly,

SAFETY FIRST.

Pedal Club Notes

Members are reminded that the Preston Rally is to be held on Sunday, November 14, at the Preston Football Ground.

The Altona general meeting will be held on Friday, November 19, at the Homestead.

ALTONA HAS LAVERTON IN TROUBLE

Batting in very hot and blustery conditions Altona took heavy toll of the Laverton (2) bowling last Saturday and compiled the excellent total of 218.

Early in the innings Laverton bowlers performed well to have Altona 6/92.

However, with the advent of Lance Cumming to the crease a brilliant batting display took place and with Forrester playing a valuable hand, a partnership of 85 was established.

When Cumming was finally dismissed by Laverton's most successful bowler, K. Robertson (3/35) the innings folded quickly, leaving Laverton batsmen to play out a half hour until stumps.

This time proved enough for the Altona opening bowlers to capture three quick wickets and place Laverton in a very difficult position at the close of play.

West Newport 63 (Svorinich 22, Jensen 5/26) v. Altona 2/10.

Bad Start for Altona

Playing Newport Footballers away at Digman Reserve, Newport, last Saturday, Altona in A Grade Turf appear to be in trouble, needing 26 runs with only four wickets in hand to take a first innings lead.

Dropped catches and fielding errors allowed the Footballers to total up 151 runs. Conradi was the main wicket taker for Altona, obtaining 5/54.

Perrussich top scored for Altona with 43.

CLOSE GAME FOR ALTONA JUNIORS

At the J. T. Gray Reserve last Saturday, in very poor conditions, due to wind, dust, etc., West Newport won the toss and elected to bat.

Good bowling on the part of Jensen, Crump and Calaz, with strong fielding and wicket keeping resulted in West Newport, a strong side, being dismissed by Altona for a total of 63 runs. Main scorers were R. Sworinich and C. Lawson, with B. Jensen taking most wickets.

Jensen and McCudden were the openers for Altona, but an excellent ball from Sworinich bowled Jensen before he had scored. M. Crump followed and took the score to 10 before McCudden was caught from the bowling of Sworinich.

R. Patton then came in and at stumps Crump and Patton were not out with the score at 2/10.

B (1) v. NPT. A.N.A.

Altona (1), after dismissing Newport A.N.A. for 113 in B Grade Turf, batted badly in scoring only 52 on the first day of the match at Altona.

Newport A.N.A., winning the toss and electing to bat in hot gusty conditions, started well to put on 56 for the first wicket until a good ball from McCullagh had Hughes caught at the wicket. Jones, bowling well from the other end captured the next two wickets to start the collapse of the A.N.A. innings, with wicket keeper Wally Martin in fine form executing two very good stumpings off the bowling of Harrison. The rot continued until A.N.A. were finally dismissed for 113.

Altona (1), going in to bat with a very good chance of leading on the first innings had many batsmen out of form who were unable to score off a very ordinary bowling attack. A stand of 20 between McCullagh and Jones looked promising, but with the exception of Martin the remaining batsmen were unable to capitalise on the situation and collapsed for the poor score of 52.

Newport A.N.A. batted again to secure the match for an outright win and had lost 1/23 at stumps.

Speeding Motorists Fined

Three speeding motorists were each
fined £10 in Williamstown Court yester-
day for exceeding the 35 m.p.h. speed
limit in Millers Road, Altona North.Roy Allen Cunningham, of
Rose Street, Altona, was
found guilty of doing a steady
50 m.p.h. between Cyclamen
Avenue and Blackshaws Road
on August 6.Harry Wright, of Vincent
Crescent, Werribee, was ap-
prehended on June 30 for
travelling between 48 and 50
m.p.h. between McArthurs
Road and the Geelong railway
line.Ivars Ciranis, of Estelle
Court, Altona North, was
guilty of a speed of 45-50 be-
tween Marigold Street and
Blackshaws Road on July 3.
He also was fined another £3
for failing to give any signal
when making a right-hand
turn into Blackshaws Road.
He told Constable A. Timms
his indicator lights failed to
work when he put them on.As a sequel to a collision at
the corner of Geelong and
Kororoit Creek Roads last
May, a motorist was fined for
a traffic breach at Williams-
town Court yesterday.William Ian Ferguson, of
Wright Street, Sunshine, was
fined £5 with 4/- costs for mak-
ing a right hand turn in the
face of oncoming traffic.Constable Skinner, of Sun-
shine, told the Second Divi-
sion of Williamstown Court
that an accident occurred at
the intersection of Geelong
and Kororoit Creek Roads
Laverton, on May 15. Fergu-
son had gone to the Sunshine
Police Station in June and he
interviewed him.Ferguson told him he in-
tended to turn right from
Geelong Road into Deer Park
Road. He stopped there after
turning through the planta-tion then saw a car travelling
in the Melbourne bound lane
stop for him. He started to
cross when he saw another car
overtaking the car that stop-
ped for him and he was un-
able to avoid a collision.
